Agriculture - Soil

Abbas, Abdul-Hassan, 1962, A soil test for phosphorus, based upon fractiona- of soil phosphor; Ph. D. Thesis, Purdue Univ.

Abbou, Adeeb, 1967, Sand and shell correlation in Zubair and Rumaila oil fields.

al-Abdulla, T.I. 1965. Effect of some physical parameters on soil intake rates; P.h D. Thesis, Logan Univ., Utah.

....., 1963. Soil moisture effects on infiltration; M. Sc. Thesis, Logan Univ., Utah.

Abdul-Kader, N. 1957. Field methods for obtaining soil permeability.

Abdul-Naby, M. 1950. The urinary secretion of lysine and alpha amino nitrogen; M. Sc. Thesis, Texas Univ. (Belongs to Biochem. or Medicine).

al-Adeeb, Adnan, 1965. An evaluation of the Mohr-Coulomb Method of measuring the shear strength of cohesive soil; M. Sc. Thesis, Stanford Univ.

Ahmad, Yassin, 1964. Soil particles size by time weight accumulation of sedimentation; M. Sc. Thesis, South Dakota Univ.

Abed, M.K. 1967. Mortality, longevity and fecundity of some spider mites attacking cotton as affected by selected chemicals; Ph. D. Thesis, Texas Univ. (Belongs to Entomology).

al-Ani, T.A. 1960-1961. Some salinity and electrical conductivity relationships in saline soils of central and southern Iraq; Proc. Iraqi Sci. Soc. Vol. 4 (with Kama-ludeen, A. who is the senior author).

al-Ani, T.A. 1965. Root growth and ion uptake of meloic hydrazide treated tobacco; M. Sc. Thesis, N. Carolina. Univer.

Alhawi, G. S. 1965. Cultural variability and susept. (onion) - pathogen relationship of *Fusarium oxysporum* f.s. p. *cepae*; M. Sc. Thesis, Cornell Univ., Ithaca. (This is not soil, it is plant pathology).

Baldar, N.A. 1958. The potassium status of some representative Arizona soil; M. Sc. Thesis, Arizona Univ.

Benny, F. Y. 1959. *Rauwolfia Rauwolfia serpentina* Benth. (Apocynaceae). Jour. Iraqi Med. Profession 7 (4) : 106-116. (Pharmacology).

Benny, F. Y. 1968. Morphology and anatomy Histology study of Licorice (*Glycyrrhiza*) grown in Iraq. Iraqi Medical Jour. XVI (1 & 2) : 19-28. (Jour. Iraqi Med. Profession).

Benny, F. Y. 1967. Coca, Cocaine and Cocaine substitutes. Al-Jundy Magazine, Min. of Defence. (In Arabic).

al-Biati, Abdul-Razzaq, A. 1967. Studies on propagation by stem cuttings; M. Sc. Thesis, Caire University.

- Damirgi, S.M. 1960. Microbial population and activity in soils of prairie biosequence; M. Sc. Thesis, Iowa. (not soil).
- al-Doori, H.M. 1963. A test of Independence for three poison variables; M. Sc. Thesis, Baghdad Univ.
- al-Falahi, T. 1964. The effect of seeding time on the heading and yield of wheat in the Williamette Valley; M. Sc. Thesis, Oregon University. (note soil).
- Ghalib, H.H.A. 1965. The culture of date palm; M. Sc. Thesis, Minn. Univ.
- al-Hassawi, G.S. 1962. Lime fertilizer placement exper. on alfalfa. M. Sc. Thesis, Tenn. Univ.
- Jalil, Sami and R. Koshal, 1969. A note on the pilot sample surveys of cotton for the estimation of Agriculture Production, conducted in 1965, in Baghdad Liwa, Iraq. Central Bureau of Statistics, Min. of Planning, Baghdad, 5th. March, '66. Government Press, Baghdad, 41 pp.
- Jalil, Sami and R. Koshal, 1969. A note on the pilot sample surveys on Paddy for the estimation of Agr. Production, conducted in 1965, in Diwanyyah Liwa, Iraq. Central Bureau of Statistics, Min. of Planning, Baghdad, 20th. Feb. 1966. Government Press, 1969, Baghdad. 47 pp.
- Jalil, Sami and R. Koshal, 1969. A note on the pilot sample surveys of wheat and Barley for the estimation of Agr. Production, conducted in 1965, in Baghdad Liwa; Central Bureau of Statistics, Min. of Planning, Dec. 1969, Baghdad. Government Press, Baghdad, 136 pp.
- Jassim, ab. J. 1964. Factors affecting the germination of certain xerophytic species of Cucurbita; M. Sc. Thesis, Arizona Univ.
- al-Juboori, H.A. 1957. Estimates of genetic and environmental variance and covariances for certain quantitative characters in an interspecific cotton cross; Ph. D. Thesis, N. Carolina Univ. (Not soil).
- Kassim, Z. 1962. Culture of sugar beets as a winter crop under irrigation, M. Sc. Thesis, Colorado Univ. (Not soil).
- Kattana, M. S. 1955. Some comparison of precipitation, stream flow and soil on a denuded, a grass covered and forested water shed in the upper basin of Tenn., M. Sc. Thesis, N. Carolina Univ.
- al-Obaiday, Y. Y. 1966. The utilization of phosphorus from different sources, M. Sc. Thesis, Nebraska University.
- al-Qeshteen, S.F. 1967. Properties of corn Syraps, M. Sc. Thesis, Illinois Univ. (not soil, belongs to food technology).
- Razooq, Sabah Naom, 1965. Regional variation in corn yield per acre in the U.S.A.; M. Sc. Thesis, Cornell Univ. (not soil).
- al-Rubaie, N.H. 1961. Processing frozen potato products, M. Sc. Thesis, Wisconsin Univ. (combined thesis with Gerald Schellphaffed), (not soil).
- Saba, Ab.-H. 1966. Stability of world wheat and cotton prices, U.S. Farm Program and Foreign producers; M. Sc. Thesis, Arizona Univ. (Not soil).
- Sialla, M.Y. 1964. Decision making for combining onion and potato enterprises in muck soils. M. Sc. Thesis, Cornell, Univ. (Not soil).
- al-Sousi, A. 1965. Stored dates insects, Dir. Gen. Res. & Agr. Projects, Min. Agr. Tech. Bull. no. 178, 16 pp. (This belongs to Entomology, mentioned once before under a different place, it is in Arabic).
- al-Younis, Ab.-h.A. 1960. Methods of sugar beet breeding. M. Sc. Thesis, Colorado Univ. (Not soil).

Animal Husbandry

- Fayadh, H. Abdul-aziz, 1968. The effect of water restriction on the laying hen performance. M. Sc. Thesis, Tenn. Univ.
- Ahmed, M.M.A. 1968. Mutton and beef analysis, central region, Iraqi Jour. Agr. Sc.; 3 (2) : 49-66.

- ... and H. Romi, 1967. Demand and price analysis of meat in Iraq. Iraqi Jour. Agr. Sci., 2 (1) : 61-69.
- al-Amari, A.S., J. al-Barazanchi, N. Keulemane, W. Post, K. Tamme, T. Habib, K. Jabbar, 1969. Investigation into prod. of forage under irrigation for animal feed at abu-ghraib, Iraq. Animal Hus. Res. & Training, UNDD/I FAO, Abu-ghraib; Tech. Rep. 19, 35 pp.
- Amer, M.P., H. Abdul-aziz Fayadh and H.A. al-Roomi, 1967. Effect of high temp. in Iraq on some economic characteristics in two breeds of chicken, Iraqi Jour. Agr. Sci., 2 (2) : 37-42.
- al-Atawi, F. 1967. Effect of high level barley on plant protein diet supplimented milk with lysine for broilers; Archive fur Gefluginkunds, vol. 3.
- al-Atawi, F.
Effect of feeding dried beet pulp on growth rate of awassi sheep; Jour. Agr. Sci., England, 70: 109.
- Barrada, M.S., S.M. Kassir and D. Rollinson, 1970.
The Influence of season on the birth weights of friezian and cross-bred calves at Abu-ghraib; UNDD/I FAO Animal Hus. Res. and Training Proj., Tech. Rep. no. 47, 10 pp.
- Doghranachi, K., A. al-Rawi and H.T. al-Najim, 1968. Feed prod. and development of animal resources in Iraq; Presented at the 9th FAO Reg. Conf., Baghdad.
- al-Doory, Yousif, 1954. The induction of polyploidy in sugar cane and tomato by the use of colchicine; Ph. D. Thesis, Louisiana Univ. (not animal husbandry).
- Farhan, S.M.A. 1965. Factors affecting appetite in dairy calves, Ph. D. Thesis, Oklahoma Univ.
- ..., 1962. Milk replaces studies with dairy calves; M. Sc. Thesis, Oklahoma Univ.
- al-Hakim, M.K. 1970. Effects of climate on animal prod. in Iraq; UNDD/I FAO animal Hus. Res. & Training Proj., Abu-ghraib, Tech. Rep. no. 40. (with D. Rollinson, F. al-Dosouky, M. Injidi, A. Kassab, J. Smith and F. Elling).
- ..., 1969.
Studies of the effect of climate on reactions of semens prod. and fertility of friezian bulls in Iraq; Ibid, Tech. Rep. no. 40 (with D. Rollinson, F. Dossouky, M. Injidi, A. Kassab, J. Smith and F. Elling).
- al-Hamid, M.I. 1966. On the production of three cyprinid fishes of Iraq; Dir. Gen. Agr. Res. and Proj., Min. Agr. Tech. Bull. no. 6.
- al-Juboori, M. 1969. A comparison study between some standard breeds of chickens and Iraqi strains; Iraqi Jour. Agr. Sci., vol. 4, no. 1.
- Jumah, H.F. M.A. 1964. Protein and energy utilization during lactation; Ph. D. Thesis, Maine Univ.
- Jumah, K.H., A.A. Asker and I.G. Khalisi, 1964. Effects of docking on growth and development of awassi lambs; Jour. Animal Prod. UAR 4 (1) : 11-26.
- Jumah, K.H., J. Eliya and S.M.S. Kassir, 1970. Comparative studies on age at first lactation, performance of friesin cattle in Iraq; International Dairy Cong., Australia, Spec. B.I., p. 12-16.
- Jumah, K.H. and F. Dessoky, 1968. Semen characteristics of awassi rams, Jour. Agr. Sci., Cambridge, 73 : 311-314.
- Jumah, K.H. and I.G. Khalisi, 1969. On growth rate of awassi lambs before weaning, Iraqi Jour. Agr. Sci., 4 (1) : 78-85.
- Kamar, G.A.R., A. al-Mufti and I. Khalil, 1969. Effect of animal protein on egg prod. and rep. of hens; Mesopotamia Jour. Agr., Univ. Mosul, 4 : 60-65.
- Karam, H.A., H. Friesche and J. Johnson, 1969, Training manual on methods and Evaluation of animal prod. Exp.; UNDD/ I FAO Animal Hus. Res. & Training Proj., Abu-ghraib, Tech. Rep. 36., pp. 1-20.

- Karam, K.H. and others, 1971.
Milk prod. in awassi and Hungarian merine sheep in Iraq, Jour. Agr. Sci., Cambridge, 76 : 507-511.
- Kassab, A., N. Injidi and D. Rollinson, 1968.
Studies on the effect of climate on domestic animals in Iraq, seasonal changes in thyroid glands of awassi sheep, UNDD/ I FAO Animal Husb. Res. & Training Proj., Tech. Rep. 13, pp. 1-11.
- Kassir, S.M., S. al-Doori & D.J. McFetridge, 1968. Dairy herd improvement Service of Iraq, rules and regulations handbook, Ibid, Tech. Rep. 12, pp. 1-51.
- Kassir, S.M., D.C. McFetridge and N. Hansen, 1969.
Studies on the growth feed costs and carcass composition of young male cattle and buffalo, fed under comparable conditions; Ibid. Tech. Rep. 21, pp. 1-9.
- , N. Bashir, J. Ali Khan, F. al-Jaff, F. al-Dessouky, D. Rollinson and D.G. McFetridge, 1967. Survey of cattle, buffalo and camel slaughter in Baghdad; Ibid. Tech. Rep. 8, pp. 1-33.
- al-Khazraji, Abdul-karim, 1968. The effect of feed restrictions on the performance of laying hens; M. Sc. Thesis, Tenn. Univ.
